Launched in November 2018, this innovative program sets the standard for what it means to be a professional in the real estate brokerage business.

The C2EX Endorsement, available only to Realtors®, is earned through a self-directed program that enables real estate professionals to assess and build on their competency in each of the core areas. As an Agent/Owner, in addition to demonstrating competency in all 10 areas, Laxague was required to show a commitment to fostering an environment that promotes excellent customer service consistent with these standards.

"Since it was launched in 2018, NAR's REALTORS® Commitment to Excellence program has transformed our field, spotlighting Realtor® professionalism and helping our members gain a critical competitive edge over the industry," said NAR President Charlie Oppler, a Realtor® from Franklin Lakes, N.J., and the CEO of Prominent Properties Sotheby's International Realty. "Available only to Realtors®, the C2EX endorsement offers a completely customized path toward success based on each individual's pre-existing knowledge, and it's clear why thousands of NAR members have already signed up to pursue their endorsement. Today, we are proud of Kat Laxague for making this commitment and distinguishing herself in the Missouri real estate market."

The National Association of Realtors® is America's largest trade association, representing over 1.4 million members involved in all aspects of the residential and commercial real estate industries.

Providing opportunities to create positive aging

Your Area Agency on

Clinton Senior Center needs you!

The past 16 months have been a challenge for us all! Thankfully, as our world and our country begin to work back to some level of normal everyday life, so does the Clinton Senior Center.

Our Center is looking forward to plans for getting re-opened to the public, but this cannot happen without some much-needed community help! We need volunteers willing to assist the Clinton Senior Center in the following areas:

- Greeters to assist our clients with check in.**
- Kiosk receptionist to handle daily registration.**
- Dining room volunteers to help clean and disinfect tables.**
- Recreation volunteers willing to set up and call bingo, help sanitize game equipment and watch social distancing protocols**

We are also in great need of **home delivered meal drivers** as we gear up to resume daily hot meals to our homebound seniors. This would be great for a local company, church, or service group, willing to donate one hour a day for a week, every three months to ensure hot homemade meals to our homebound seniors. CDC guidelines will continue to apply to keep everyone safe.

So, if you or your group would be willing to commit to helping our seniors, please contact Kathy or Deb Terry at the Clinton Senior Center, 660-885-3482.

The Center serves those 60 and older for meals, activities, and resources that will help in creating a positive aging experience. We are a part of the Care connection for Aging Services Agency and are funded in part by the "Older Americans Act", and with donations made by the Clinton community. All community donations stay in Clinton to assist Clinton Seniors.
