## Note from the Chamber Director

By David Lee

As I told you a week ago, and it looked just like this: OLDE GLORY DAYS IS HAPPENING...WE HOPE. The Olde Glory Days committee decided to move forward with this year's celebration. It may look a little different, but we hope to have music, the parade, carnival, fireworks, office olympics, kids games, side shows, veteran's dinner, prize drawings, and more. The Clinton Chamber and our local media will give you more details as they become available. We have started working on this. I have been very involved in OGD in the past while I worked in radio. Now, seeing everything that needs to be done "on the inside" since I am at the Chamber is a totally different story! Believe me, there is a lot to do. Wish us luck.

At first, we were going to host job fairs in Feb., April, June, Aug., Oct. and Dec. However, many of the businesses that participated have reached out to us wanting to know if we could do these job fairs more often. So, since the need is there, we are here to help out. The Chamber will now offer drive-thru job fairs on the last Friday of each month from 8am until 4pm. The dates in Nov. and Dec. will be changed.

Last Friday, April 2nd, after my weekly report was completed and posted to Facebook and sent to the media, some of our Ambassadors helped Dody Legacy Group celebrate their 35th anniversary. They have a great office here in Clinton with some great folks working there!

On Tuesday, the Ambassadors were at Golden Valley Animal Clinic as they are celebrating 40 years in business. The number of dogs and cats they have treated in the past 40 years would probably be amazing. I know Bretta and I have used them for Lacey, Kadee, Jenee, Bailee, Kacey and Silvee over the years!

On Wed. of this week, the Ambassadors gathered at Jefferson Gardens to help them celebrate 25 years of business in Clinton. If you or someone you love is looking for an assisted living environment, be sure to stop by on West Rogers St. and talk to them.

On Tuesday of this week, Gene Henry and I met with Chris Rutter at his office at Hawthorn Bank. Gene is stepping back somewhat on the Military Affairs Committee here at the Chamber and Chris is taking his place. It was fun getting to know Chris a little more than I do now and I told him I want to sit down with him and talk about his experiences in the military. That will be interesting and I look forward to getting to know this hero from Clinton better than I do now.

Someone I knew quite well died on April 2nd. If you knew J.C. Smith, you liked him. That's how I feel about it. He was great for so many people and the City of Clinton. I attended his funeral on Wed. at the Benson Center, along with a lot of other people. I'm sure everyone there, and those that couldn't make it, would have a "J.C. story" to tell about a time or times they had spent with this great man.

It's never too late in the year to sign up to belong to the Clinton Chamber of Commerce. Recently we've added some new members. Find out more by calling 660-885-8166 or email [david@clintonmo.com](mailto:david@clintonmo.com). Anyone can be a member!

We are working on the annual Academic Excellence awards and scholarships. We will soon have names of Clinton High School students that have qualified and you will see those names, those students will get their medal and a few lucky ones will get scholarships. Stay tuned!

Each Monday, we are putting a question on our Facebook page you can answer if you'd like. Look for 'WONDERINGS FOR THIS WEEK' and let us know what you think concerning our question each week.

As I've told you in the past, we get about three or four inquires each week, sometimes more, from the public wanting to know about places to rent in Clinton. We do have a list of landlords we give to them or email, but now each Monday on our Facebook page, we will be updating that list to make sure it is accurate and includes more information for folks looking for a place to rent. If you have houses or apartments to rent, make sure the Chamber knows about it so you will be on the list.

Don't forget, if you're a business owner and belong to the Chamber, be sure to update those Facebook pages so we can share your information on the Chamber's Facebook page. If you would like to get involved in moving Clinton forward, just reach out and we'll find the perfect place for you! Be sure like us on Facebook: Greater Clinton Area Chamber of Commerce, and watch for the new website coming soon.
