KEMP BRINGS DECADES OF TEACHING EXPERIENCE Begins Work as Education Coordinator This Month

When it comes to educating and advising future teachers, there are few better people to turn to than those who have spent their lives in the classroom themselves. Experienced educators like Sheri Kemp, who will begin a new job with Central Methodist University this month, are vital to teaching the next generation.

Kemp, who has 30 years of teaching experience at the elementary school level, will soon begin full-time work as the new education coordinator and faculty advisor at Central's Clinton and Lake of the Ozarks sites.

"I can't remember ever not wanting to teach," said Kemp. "That's what I've always wanted to do since I was really little."

Her passion for teaching led her to earn undergraduate degrees in elementary education from State Fair Community College and the University of Central Missouri. She later returned to UCM to complete a master's degree in reading.

Aside from teaching in elementary schools, Kemp owned

and operated the Kemp Learning Center for 20 years and supervised more than a dozen student teachers. She also has previous experience with Central Methodist, having taught in an adjunct capacity for two years.

Kemp is looking forward to getting involved with the Clinton community and working with State Fair Community College and her colleagues at both Central locations. In her newest role with CMU, she will again be teaching and supervising student teachers, as well as helping other students with their educational plans.

"I'm very excited about advising student teachers," she said. "That's where my passion is. As a teacher I've advised probably 14 teachers over the years, so I really enjoy that."

Outside of work, Kemp lives in Sedalia with her husband and two Boston terriers. A mother of two, she enjoys spending time with her family, walking the dogs, and watching movies.

CENTRAL METHODIST UNIVERSITY COORDINATORS RETIRE

Sandra Gilkey and Sandra Braithwait, also known as "The Sandras", are retiring from Central Methodist University (CMU) at Clinton. Sandra Gilkey served as the CMU Clinton Site Coordinator. Sandra Braithwait served as the Education Coordinator and Adjunct Professor at CMU-Clinton and online. Gilkey and Braithwait have been employed with CMU since 2009.

Sandra Gilkey provided student services to area and online students including application and admissions processing. She also conducted recruitment events at State Fair Community College (SFCC) at Clinton and in the surrounding area. Sandra Braithwait served as an advisor to education students, helping them towards Missouri DESE teacher certification; in addition, she supervised student teaching and taught several courses for both CMU and SFCC.

"The Sandras" had over 100 combined years of experience in the educational field working as administrators for local school districts. CMU thanks them for their service and wishes them well in their retirement.

Sheri Kemp will serve as the area's Education Coordinator/Advisor. Kemp begins employment July 1, 2021.

**WEEKLY UPDATE FROM THE GREATER CLINTON-AREA CHAMBER OF COMMERCE
BY DAVID LEE-DIRECTOR:**

Primitive Olde Crow and Winery was the location for the first Business After Hours since March of 2020. Several Chamber members and their guests were there. We recognized new members, reminder of upcoming events, heard from the folks at Primitive Olde Crow and Clinton's Economic Developer Mark Dawson, gave away a door prize and did the 50/50 drawing. Our next event is July 15th at the Eagles Lodge. Become a Chamber member if you would like to join in at these events!

A huge thanks to the folks with the Clinton Sunrise Optimist Club and the Rotary Club for inviting me as a guest on Thursday. I was not the main speaker but Dave Garnett, Tim Glasscock, Craig Thompson and Dan Wallace were featured to update everyone on the events coming up for this year's Olde Glory Days celebration.

On Friday (June 11th) after my report was sent out, myself and our Economic Development Director Mark Dawson met with three folks from Drury University out of Springfield. Drury alumnus Mitchell Mills was also a part of this meeting at the Chamber. The Drury GO action team is searching to discover how Drury might serve adult learners and employers in the Clinton area. They have reached out to the Clinton Chamber to learn more about the educational and training needs of folks in Clinton and surrounding communities. Drury currently has educational sites in various locations in Missouri and they are exploring the opportunity to open a new site on the western side of Missouri.

The Greater Clinton-Area Chamber of Commerce and Tourism Association are working with the Tony Komer Foundation and local disc golf enthusiasts to 'Design the Back Nine'. Our latest meeting was held on Monday, June 14th and from the several meetings held at the Clinton Chamber and in Artesian Park, a temporary design has been mapped out. You may see cones and/or flags in different areas of Artesian Park as the final touches are put upon the design. The final plan will be submitted to the Clinton Park Board and the City Council for approval ASAP. If you have input, feel free to contact David at the Chamber at david@clintonmo.com or Tim at t_komer@hotmail.com.

The veteran's dinner, fireworks, the Henry Co. Museum, the toddler tent, a coloring contest by Clinton Main Street, office olympics, the carnival, prize drawings, nightly musical entertainment, kayak races, the pet show, the FireQuacker 500, entertainment throughout the day, the readers theater, TLC Dulcimers, pedal pull, the golf ball drop, the fireman's pancake breakfast, 5K run/walk, the car show, grand parade, beer garden, Gospelfest and more! The Olde Glory Days committee continues to move forward with this year's celebration. The Fishin' Magicians show is coming back... look for a Ventriloquist/Comedian and the Kansas City Aerial Show...main stage entertainment includes Funk Syndicate, the Cate Brothers, Dawson Hollow and the Eskimo Brothers.

OLDE GLORY DAYS 2021: Let's give this a shot! We keep on posting items on the official Olde Glory Days Facebook page. If you would like to be involved financially and/or as a volunteer, call us at the Chamber.

A reminder that the Ag Committee Golf Tournament is July 24th and the annual banquet is Aug. 23rd.

It's never too late in the year to sign up to belong to the Clinton Chamber of Commerce. Find out more about belonging to the Chamber by calling 660-885-8166 or email david@clintonmo.com. Anyone can be a member! People buy Chamber gift certificates to give to friends, family, co-workers, employee of the month, as a thank you and so many other reasons. Call 660-885-8166 and order your gift certificates. They will be ready when you get here!

We get about three or four inquires each week, sometimes more, from the public wanting to know about places to rent in Clinton. We do have a list of landlords we give to them or email, but now each Monday on our Facebook page, we will be updating that list to make sure it is accurate and includes more information for folks looking for a place to rent. If you have houses or apartments to rent, make sure the Chamber knows about it so you will be on the list.
